OUR STORY

SEED is a youth development organization that focuses on further promoting and utilizing entrepreneurship as a catalyst for positive change and impact throughout Southeast Europe.

SEED introduces and collaborates with leading regional and global entrepreneurs, founders, investors, and sector experts to work with and mentor young aspiring entrepreneurs. We partner with grass-root entrepreneurship organizations and academic institutions in Serbia and across the region in order to further strengthen the ecosystem.

OUR FACILITATORS

The BOLD Regional Workshop gathers leading experts & academics in the field of entrepreneurship, innovation, tech, finance, and business. We aim to gather U.S.-based experts as well as guest speakers from the Western Balkans region.

OUR GOALS

Through a week-long program, we provide participants with entrepreneurial know-how, a better understanding of business plan development, and the empowerment to pitch their ideas and provide creative solutions to the business goals they are passionate about.

Applications are open until January 26th, 00:00 CET
